City of Milpitas
Building & Safety Department

Estimated Permit Fee for Garage Conversion

Fee estimate is for the Building & Safety Department plan check and inspection fee only. This estimate does not include fees for permits associated with other City Departments/Divisions (such as Fire Department, Planning, Utilities and Engineering).

Notes to applicant:

1. Fee estimate is calculated based on the information provided. The City of Milpitas reserves the right to verify the information provided (square footage, valuation, scope of work, etc.) and change fees as required after permit application submittal.
2. Fee estimate does not include on site improvements, demolition or other work, which is not part of the structure. Separate permit(s) and fees are required.
3. Fee estimate does not include fees associated with "outside agencies fees" such as schools, Health Department fees, etc.
4. Additional hourly plan check and inspection fees might be added to your application, if needed.

Does scope of work include any Electrical , Mechanical or Plumbing ?		**Required for Estimate**
Construction Valuation		**Required for Estimate**
* **Number of 8.5 " x 11" pages**		
* **Number of larger size documents (Including Plans)**		

* **Number of pages and plans is associated with the Building and Safety Department Imaging fees. Final fees will be determined prior to permit issuance based on actual number of documents.**
